

Alaz Munzur completed her PhD in Economics at the University of Calgary. Her research is focused in the areas of government regulation and policy on energy and environment, international cooperation on environmental issues, and international trade. Currently, she is a research associate with the Energy and Environmental Policy research division at the School of Public Policy, University of Calgary. As part of the Canadian Northern Corridor Program, her research focuses on the economic and environmental impact of infrastructure development and Canada's international and interregional trade.
