

# Canada's Productivity Summit

Driving Investment for  
Economic Growth and Prosperity

October 16-17, 2024 • Calgary, AB

School of  
Public Policy

## Dale Beugin

**Executive Vice President  
Canadian Climate Institute**

As Executive Vice President of the Canadian Climate Institute, Dale oversees all of the Institute's research on policies to reduce emissions, build resilience, and grow a prosperous economy. He is an expert in environmental policy and economics with twenty years of experience on energy and climate. Dale has previously worked as both Executive Director and Research Director of Canada's Ecofiscal Commission, as an independent consultant providing analysis and advice to governments and organizations across Canada and internationally, and as policy advisor with the National Round Table on the Environment and the Economy.
