October 16-17, 2024 • Calgary, AB

School of Public Policy | UNIVERSITY OF CALGARY

Dr. Ira Kalish

Chief Global Economist
Deloitte Touche Tohmatsu Ltd.

Dr. Ira Kalish is the Chief Global Economist of Deloitte Touche Tohmatsu Ltd. He is a specialist in global economic issues as well as the effects of economic, demographic, and social trends on the global business environment. He has written about the economies of Western Europe, Eastern Europe, Southeast Asia, China, Japan, Mexico and South America, and has also written extensively on global consumer markets. He is the principal author and editor of Deloitte's Weekly Global Economic Update.

Dr. Kalish provides thought leadership and perspectives on economic issues, including their expected impact on business operations and trends, to Deloitte clients as well as Deloitte leadership. He has given numerous presentations to corporations and trade organizations on topics related to the global economy. Dr. Kalish also serves on the Business at OECD Economic Policy Committee which advises the OECD on macroeconomic policy issues. In addition, he serves on the World Economic Forum's Community of Chief Economists. He is widely traveled and has given presentations in 47 countries on six continents.

Dr. Kalish has been widely quoted in the news media; his remarks have been published by the *Wall Street Journal, The Economist, The Financial Times, Reuters,* and *The Washington Post*. He has appeared on CNN, CBS News, CNBC, PBS and BBC World Service.

Prior to his work at Deloitte, Dr. Kalish was chief economist at Retail Forward, a director at PwC, vice president at Bankers Trust, corporate economist at the Eastman Kodak Company, and researcher at the Institute for International Economics.

Dr. Kalish holds a bachelor's degree in economics from Vassar College and a PhD in international economics from Johns Hopkins University. He lives in Los Angeles, CA with his wife and has two adult children.
