Public Policy

UNIVERSITY OF
CALGARY

Myha Truong-Regan

Head of Climate Research, RBC - Climate Action
Institute

Myha Truong-Regan is the Head of Climate Research at RBC's Climate Action Institute.

Prior to joining RBC, Myha was a senior economist with the Ontario Securities Commission (OSC), where her work was focused on regulatory strategy and research. Myha's first career was as an urban planner and her practice areas were environmental and social policy. She was also a corporate strategy and marketing consultant, providing strategic advice to clients in the real estate and consumer packaged goods industries.

Myha holds an MBA from the Rotman School of Management, at the University of Toronto, and Bachelor of Environmental Studies degree from the University of Waterloo.
