

Canada's Productivity Summit

Driving Investment for
Economic Growth and Prosperity

October 16-17, 2024 • Calgary, AB

School of
Public Policy

Scott Fash

**Registered Professional Planner
CEO, Building Industry and Land Development
Association of Alberta (BILD Alberta)**

Scott Fash is a Registered Professional Planner and the CEO of the Building Industry and Land Development Association of Alberta (BILD Alberta). During his nine years, and through a variety of roles with the Association, Scott has focused on overseeing research, policy, and government relations to advance the residential construction industry in Alberta. Scott is dedicated to partnering with government and stakeholders to advance housing and communities in a sustainable and affordable way. Before joining BILD Alberta, Scott spent a decade as a planning consultant working on private and public sector projects across Canada.
